

Freelance Video Editor – Short Product Videos (Ho Chi Minh City Preferred)

Project Overview:

We are a company based in **Ho Chi Minh City** producing **shrimp feed**. We frequently shoot short, informal video clips to showcase our products, feeding performance, and quality. We're looking for a **freelance video editor** who can turn our raw footage into short, professional videos that reflect our brand style.

What We Need:

- Edit raw footage into **30-second to 1-minute videos**
 - Clean cuts, color correction, and simple transitions
 - Add our **logo, text overlays, and intro/outro**
 - Light background music (optional, but nice to have)
 - Deliver in high-quality format suitable for sharing with customers (MP4 preferred)
-

Ideal Candidate:

- Based in **Ho Chi Minh City** (preferred, but not required)
 - Experienced in **video editing software** (e.g., Adobe Premiere, Final Cut, DaVinci Resolve, etc.)
 - Has an eye for clean, business-friendly visuals
 - Able to work with **non-professional footage**
-

What You Get:

- Ongoing video editing work (we regularly create new footage)
 - Clear feedback and communication
 - Fair and prompt payment per video
-

How to Apply:

Please send us:

1. A short introduction

2. Your **portfolio or sample work**
3. Your **rate per video** (or per minute of edited video)
4. Availability and preferred turnaround time

Please send to office@infrapowerfarms.com
